Griform Innovations®
Utility Sinks -
Determined to improve your environment.

Griform Innovations® has developed many style options of Utility Sinks. These sinks are prepared for ease of installation. We have sinks that meet special needs for when deep bowl applications are required. By adding a no drip front edge on the counter makes this a popular sink that is stain resistant. All of the Griform Innovations® Utility Sinks comply to the same rigid standards and can be used equally well. Available in custom depth requirements.
